NRHA is prepared to pivot to an alternative format in the event a traditional conference is not possible.
Business solutions must meet the following criteria to be considered:

- Current success in serving rural hospitals and/or clinics
- Great references regarding quality, accessibility, and solution value to rural hospitals
- Scalability to a national marketing program

Two Introductory Programs Available

NRHA Partner Pipeline Partner

Get involved and get your sales team busy connecting to C-Suites in rural hospitals. The Pipeline level is ideal for organizations new to the rural healthcare space, but have seen success serving rural hospitals and/or clinics and want more.

NRHA Partner Gold Partner

The Gold level is ideal for expert healthcare vendors who have significant success and demonstrate a moral and ethical code of conduct consistent with rural CxOs. Perfect for organizations wishing to grow their successful presence through the platform of trust while supporting the mission of NRHA.
