

HILTON WASHINGTON DC NATIONAL MALL HOTEL DIRECTIONS

The conference hotel is located in the building above the L'Enfant Metro Station at 480 L'Enfant Plaza S.W., Washington, D.C. 20024. Please follow these travel tips:

If you are arriving via car, Uber, Lyft, taxi or by foot:

- Please be aware that our entrance is on the street/ground floor level.
- The hotel is located in L'Enfant Plaza at the base of a one-way, U-shaped street.
- The hotel is right BEHIND the new International Spy Museum - the museum has a futuristic look and is accented with bright red details.
- If your route takes you through the underground portion of L'Enfant Plaza SW, be sure to stay in the left-hand lane and take the up ramp to L'Enfant Plaza/Banneker Circle

If you are arriving via Metro/Subway:

- Find the round guide map and look for “9th & D Streets SW, L'Enfant Plaza, Postal Service Building” for directions to the correct exit. You may have to cross over the tracks to another platform.
- To exit the station, follow the “exit to L'Enfant Plaza” escalator signs to the Metro/Subway exit turnstile. Look for a dog in a space suit above the correct exit.
- As you proceed straight beyond the exit, you'll see a set of long, steep escalators to your left. At the top of the escalators is the surface-level station exit, with Starbucks on your right.
- Look for Red Signs to your left that display the Hilton logo, and a black arrow with “Access Thru Mall” that points left to the doors you'll use to exit.
- Proceed through the doors and follow the ‘HILTON’ signs straight through the Plaza’s Food Court area, taking a right just after Moti Mediterranean Grill.
- Proceed straight until you see the last Hilton sign directing you to the Hilton elevators on your right between Gadget TLC and Jay’s Jewelers. The elevator doors display the Hilton and Starbucks logos and will take you to the lobby.
- NOTE: If you arrive after hours, (outside of 6am-8pm Mon-Sat / 8am-6pm Sunday) please CALL 202-484-1000 and ask for the Front Desk.
